

The 8th Annual Crex Harvest Feed

Friday, February 27, 2015

5:00 pm at the Crex Meadows Wildlife Education and Visitor Center
All who help with wildlife and education are invited!

Bring a wild dish to pass (game, harvested plant matter from your garden or from the wild, a dessert, etc.)

A grill and an oven will be available if needed.

Your dish could win the next Best Tasting Wild Dish award with your name written down in history on the Wild Game Feed plaque.

Bring your drink of choice.

It is time to have some fun and meet some more folks doing what we do!
